COURSEWORK

UNDERGRADUATE
Data structure Algorithms
Object oriented Programming
Operating System
Database Management System
Computer Architecture
Software Engineering
Computer Netwrok
Design and Analyses of algorithms
Machine Learning
Deep Learning
MAthematics I, II

SKILLS

PROGRAMMING
Languages:
• Advance: Javascript, Python
• Intermediate: C / C++
• Beginner: Java

Tools:
Github • Postman • Windows

Technologies:
• Node.js (Intermediate)
• React.js (Intermediate)
• Machine Learning (Beginner)
• Deep Learning (Beginner)
• Game development (Beginner)
• SQL, NoSQL(MongoDB)

OTHERS
• Outdoor games
• Reading blogs
• Traveling

EXPERIENCE

AVEOSOFT | React Developer
May - July 2022 | Ahmedabad, India
